Sharing Scripture at Kagadi

April 25, 2026

A day at Kagadi

Five ministry leaders traveled to Kagadi Prison to share Scripture and encourage the people there. The report recorded a prison population of 217 and 62 professions of faith during the visit.

Continuing in faith

The response gives the team much to pray for as they consider future visits. Pray that the gospel will take root in daily life and that local leaders will have opportunities to continue teaching.
