Churches serving together in Kamwenge and Mirembe

August 27–30, 2026

A welcome at Kabuga

The PSM team arrived at Kabuga Community Church in Kamwenge on August 27 for a church mission. The photographs show the welcome and the team gathered during those days of ministry.

Reports from the gatherings

Pastor Sylver's closing update reported 25 professions of faith, 13 baptisms and 10 child dedications in Kamwenge. The Mirembe gathering reported 28 baptisms and 16 child dedications.

Churches encouraging churches

These gatherings brought local leaders together in service beyond their own congregations. Pray for the people who responded to the gospel and for the churches continuing to teach and care for them.
